

OBITUARY

In deep mourning we take leave of
our managing director

Hans Willy Eifeler

who died after a short period of severe
disease on 9 June 2020.

Since 2007, Hans W Eifeler was managing our company with great commitment and thus had a decisive influence on the development and sustainable growth of the company. During the longstanding relationship, we have come to appreciate him as an outstanding character and extraordinary entrepreneurial personality.

We will continue to develop DOT GmbH in his spirit and honor his memory.

We express our sincere sympathy to his family.

On behalf of the management and the
the entire staff of DOT GmbH:

Prof. Hans-Georg Neumann
Managing Director

Axel Baumann
Managing Director
